2nd Verse

You're always down for me, have always been around for me even when I was bad. You showed me right from my wrong (yes you did) and you took up for me when everyone was downin' me. You always did understand, you gave me strength to go on. There was so many times, looking back when I was so afraid and then you come to me and say to me: "I can face anything" and no one else can do what you have done for me. You'll always be, you will always be the girl in my life
